2 chapters in Asia
9 chapters in Australia/Oceania

Chapter Locations:

We have 930 people from 76 countries registered in our online directory.

R-Ladies Initiatives

@WeAreRLadies Twitter Account

Every week we feature a member of the R-Ladies Community. If you would like to be featured, you can sign up by following the link on the account's Twitter page.
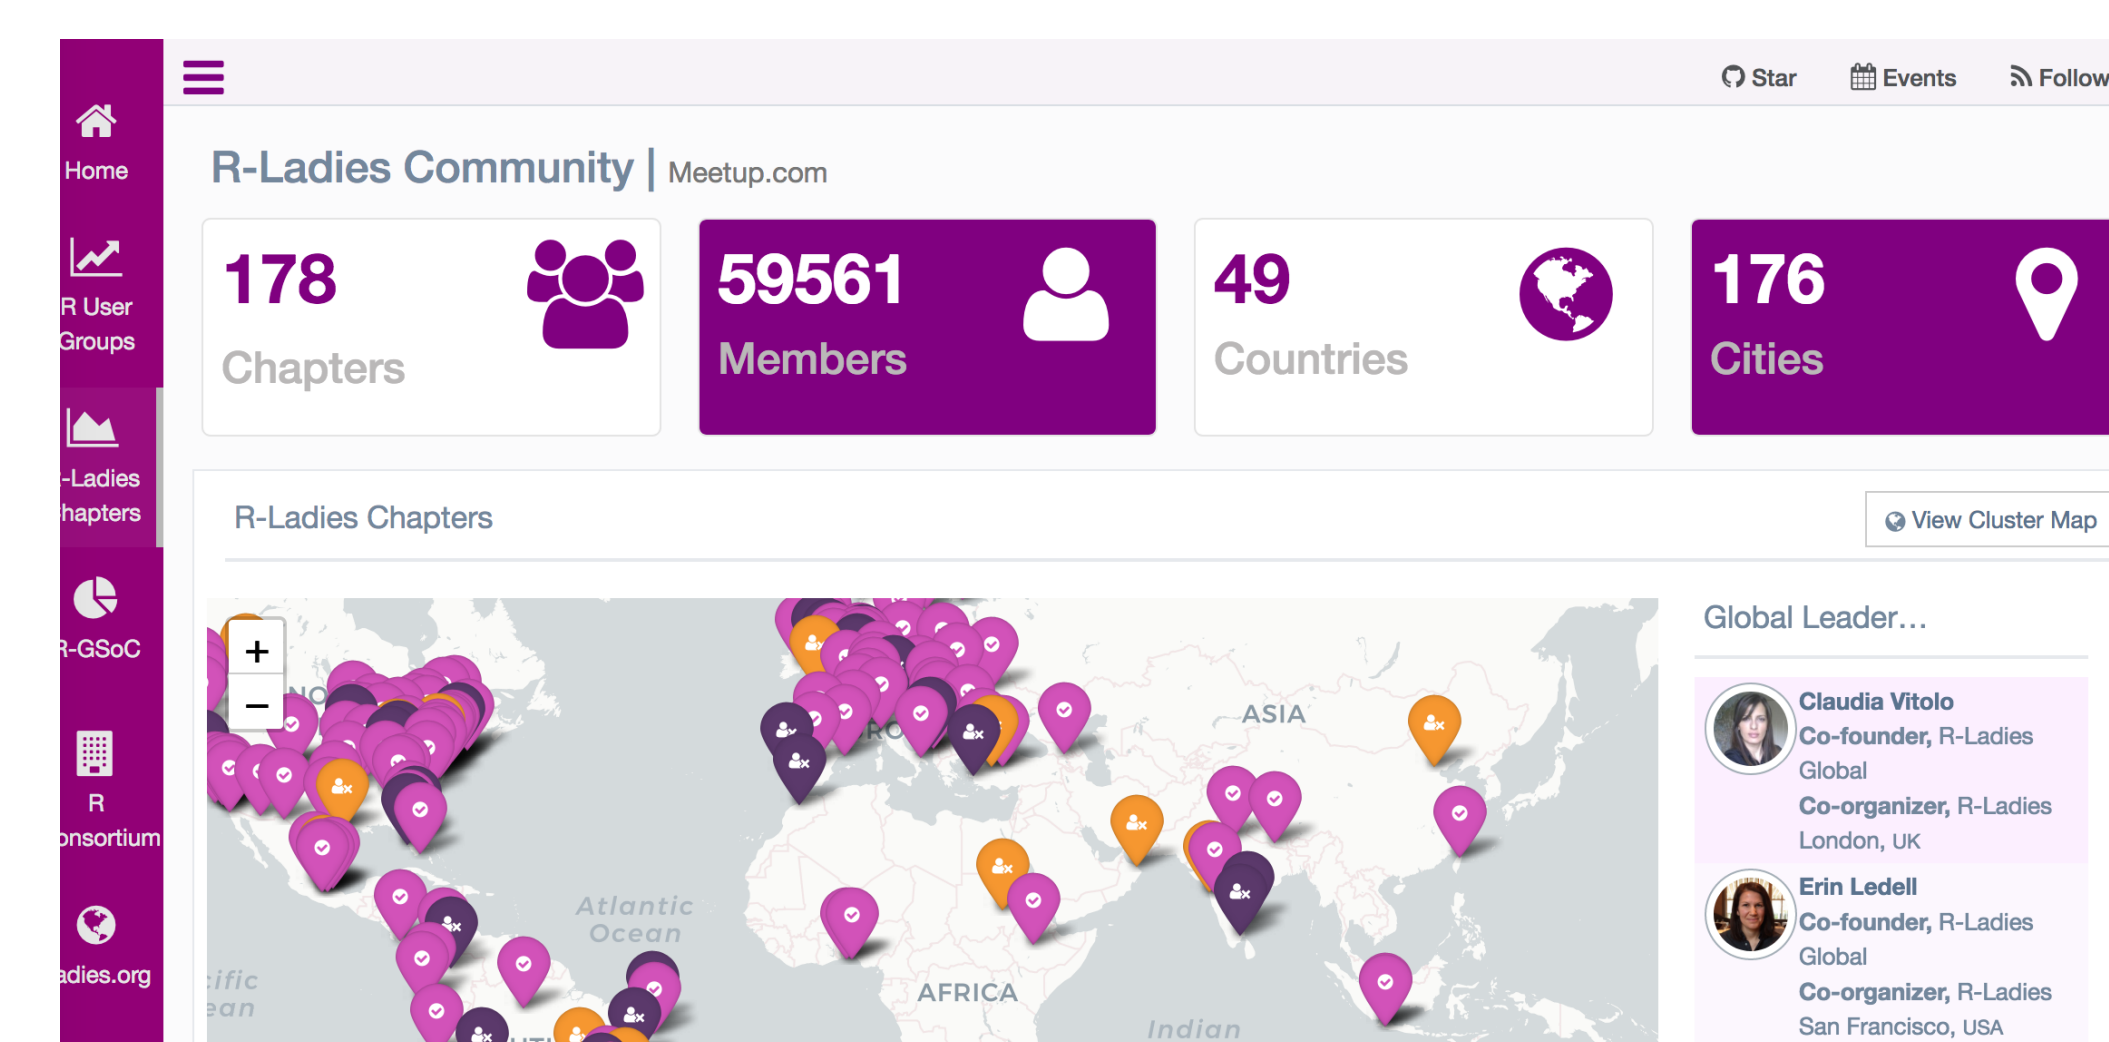

R-Ladies Abstract/Funding Review

Are you interested in attending an R conference or are you seeking funding for your R-related work? Members of the R-Ladies community can review your application (http://tinyurl.com/rladiesabstracts) or you can volunteer to review applications (http://tinyurl.com/rladiesrevs).

International Women's Day (IWD)

Since 2018, R-Ladies has been promoting women and gender minorities in the R community. Look out for our 2020 call!

R-Ladies Collaborations

We have several on-going collaborations with the R Consortium, rOpenSci, and other R community members/organizations.

rladies.org

All this information and more is available on our website.
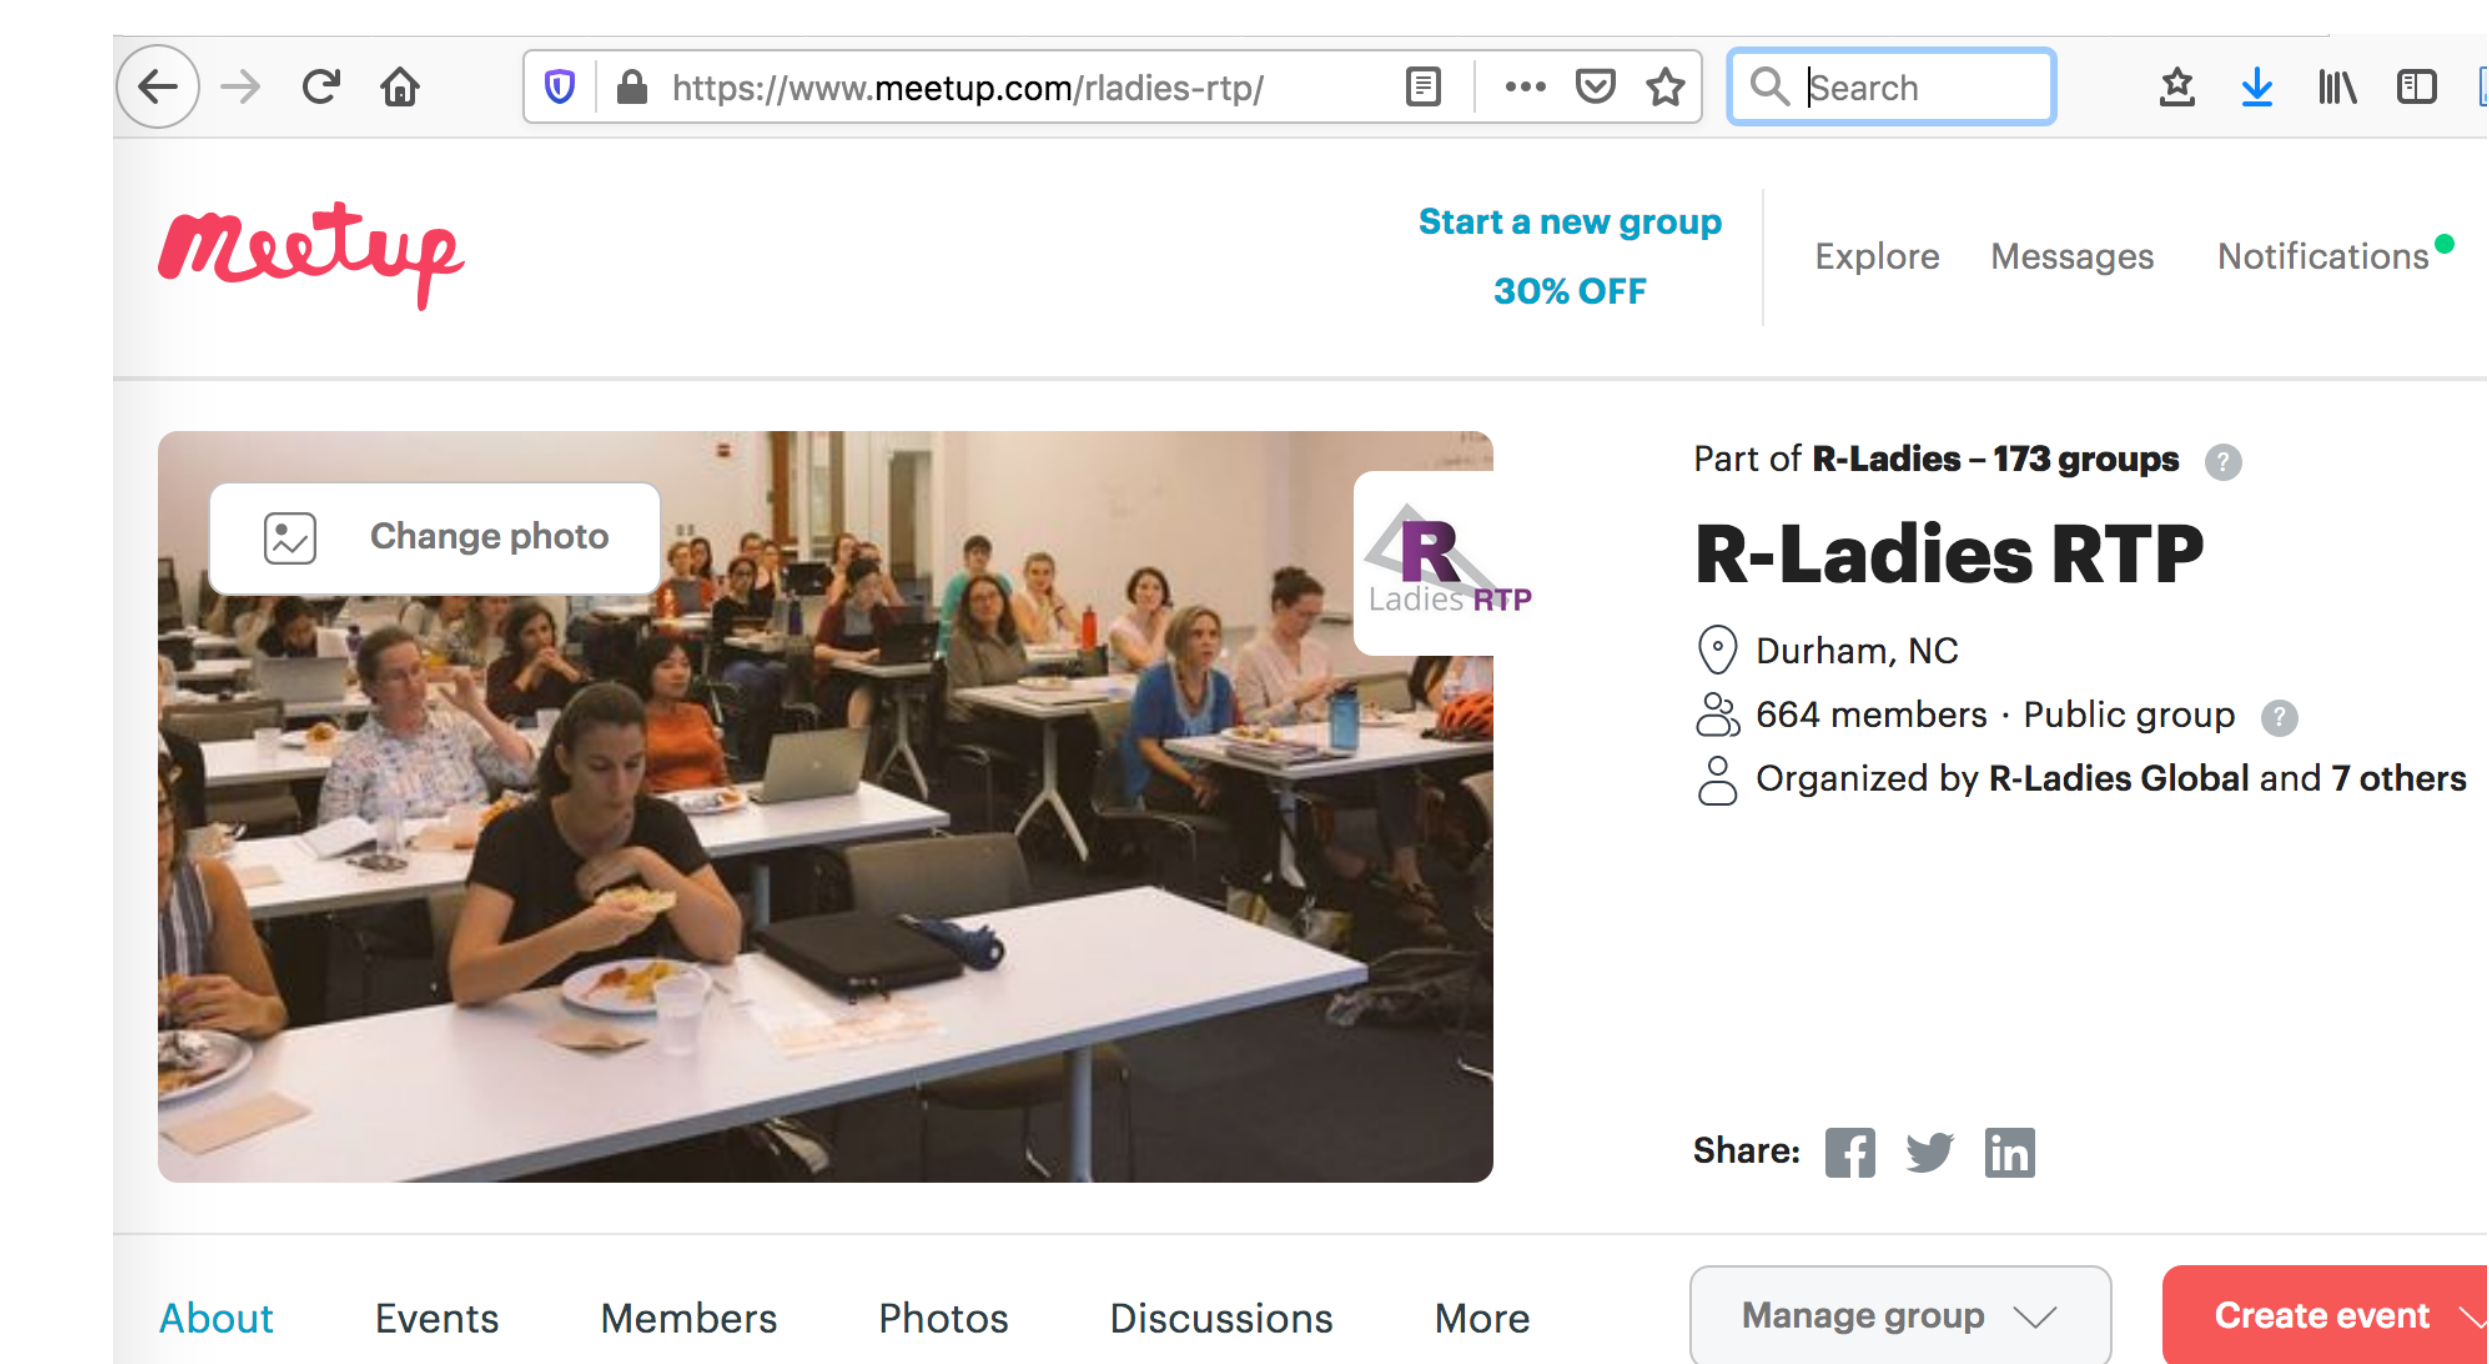

How can I join/get involved?

1. Join our directory

Visit https://rladies.org/directory to fill out a contact form.

2. Join our community slack

Visit https://rladies-community-slack.herokuapp.com/

3. Search for a local R-Ladies chapter and get involved

Google your city name + meetup.com or visit https://github.com/rladies/starter-kit/blob/master/Current-Chapters.csv to see a full list. We also have **R-Ladies Remote** for locations without chapters

4. Start a local R-Ladies chapter

Email info@rladies.org for more information
